

Stay Covered for Each Other

#staycoveredtogether
staycoveredtogether.org

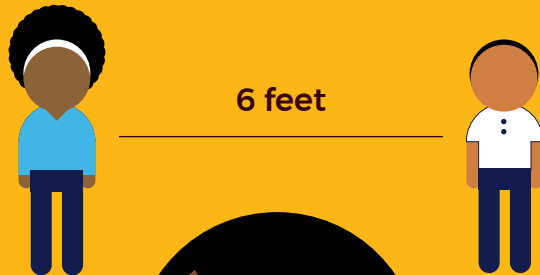

Stay smart on local guidelines for the most up to date information. When you go outside, keep your distance and wear masks. It's how you stay safe, stop the spread and save lives and livelihoods.

1.

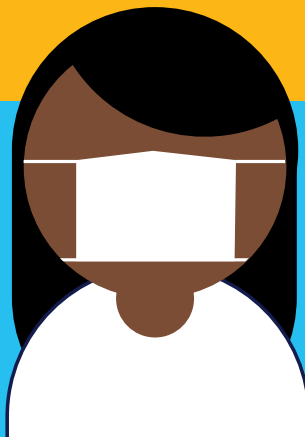

Stay smart on local health guidelines

2.

Keep your distance — at least six feet apart

3.

When you go out, **wear a mask**

Covering your face helps prevent the spread of COVID-19 and protects your neighbors, but it's most effective if you only go out when you need to and keep your distance.

Do your part, every time, for everyone.
